The Het Zone, in the Leleux Field, Vermilion Parish, Louisiana, was previously defined in Office of Conservation Order No. 341-K-2, effective December 15, 2004.

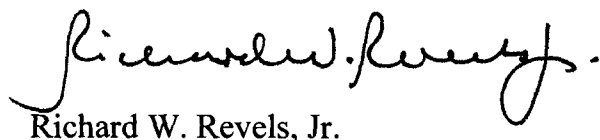

Pertinent data, including well logs, may be obtained **AT THE COST OF THE REQUESTING PARTY** from David Comeaux of Leon Comeaux & Associates, Post Office Box 53922, Lafayette, Louisiana 70505, Telephone Number 337/233-9839.

Pursuant to the Rules of Procedure, a pre-application conference was held on May 3, 2007, in Lafayette, Louisiana at which the parties named on the attached list were in attendance. The conference was opened by representatives of the applicant who explained the bases for the applicant's proposals. Questions were asked and answered. A counterplan was presented by David Sturlese, representing the Adam Family. Differences between the parties could not be resolved, and the conference was then adjourned. Since the conference, a compromise has been reached with the only party presenting a counterplan as reflected on the attached plat. We are not aware of any remaining opposition.

Attached hereto and made a part hereof are a revised plat outlining the applicant's proposal, the conference attendance list and a list of the names and addresses of the Interested Owners, Represented Parties, and Interested Parties to whom a copy of this application is being mailed. Pursuant to the Revised Rules of Procedure, the list of parties is being furnished ONLY to the Commissioner of Conservation and to the District Manager of the Lafayette District of the Office of Conservation; however, the list of parties will be furnished to any party requesting copies. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Represented Parties and Interested Parties.

Finally, enclosed is our check in the amount of \$755.00 made payable to the Office of Conservation submitted on behalf of the applicant representing the hearing application fee.

Very truly yours,

Richard W. Revels, Jr.
